Please have the following for lessons/practice

- **Acoustic or weighted digital piano**
- **Metronome** (I recommend a digital metronome, or the Super Metronome app)
- **Device for accessing google drive or zoom** (for reading assignment pages, videos, printing music)
- **Binder & recently used books**

**Missed Lessons/Cancellations/Late Arrival:** I am unable to extend lesson times for students who arrive late for their lesson. *In the case of conflicts/illness during the semester, I offer the following options:*

- Lesson via zoom during your regular lesson time, if you are unable to come to the studio.
- Recorded video lessons, shared with the student, in place of a live lesson missed due to illness. It will contain the same activities/assignments planned for the live lesson time.

\*For students with conflicts, it is possible **sometimes** to shift a lesson to another time/day or to extend a lesson to make up time. However, my schedule does not *always* make this possible, and we will utilize the above options in those cases.

**Teacher absence:** *In the event of illness, travel, or a conflict that requires me to be absent, I will shift lessons online, share pre-recorded video lessons with students, or offer reschedule options.*

- *COVID-19 policy: \* Any student with a fever above 99 in the past 24 hours, COVID-19 symptoms, or positive COVID test within the last 5 days MAY NOT attend in-person lessons. Zoom lessons during the student's regular lesson time are an option for those that are mildly sick. We will schedule a make up for those students too ill for a zoom lesson.*
